Syllabus 2026-2027

Course: B2 Conversation and vocabulary	Dr Gabriella Infante (gabriella.infante@unifi.it)
Level: B2	Course number: 12559
This course aims to improve students' conversational fluency and expand their vocabulary at the B2 level. Through engaging discussions and targeted vocabulary activities, students will develop the ability to express themselves confidently in various social, academic, and professional contexts.	
Non-exhaustive list of the topics covered: • vocabulary expansion; • connected speech; • business English and professional jargon; • media language; • public speaking skills; • language register and formality.	
The course materials will be provided by the teacher.	
Recommended websites: • http://www.bbc.co.uk/learningenglish/ • https://dictionary.cambridge.org	
Pre-requisite: Students should have completed the B2 level (http://www.cla.unifi.it/upload/sub/qce.pdf). If in doubt, please refer to the orientamento service at the CLA.
